"EVER READY" - Compliments given by female partner to the user of kaam kesar .

Both Body and Mind plays an important role while having sex and to re vital them followings are the ingredients used in this product.

Each & every 5 gm Contains

Saffron Kesar (Crocus Sativus)-0.002 gm

Ashwagandha (Withania Somnifera)- 0.75 gm

Shatavari (Asparagus Racemosus)-0.5 gm

Safed Musli (Chlorophytum Borivillanum) - 0.75gm

Shilajit (Mineral Wax, Asphaltum Punjavianumo) - 0.5 gm

Almond - Badam (Prunus Dulcis) - 1.5 gm

Gokshura (Tribulus Terrestris)-0.5gm

Babool Gound (Gum Acacia Arabica)-0.498 gm

How it works

Saffron - Mood Elevator and increases vigour.

Ashwagandha - Nervine tonic, increases stamina & desire.

Shatavari - Increases Testosterone (hormone that increases male stamina) level which increases man's desire and performance.

Safed Musli - Natural Viagra, In this Glycosides are found in abundance which subsides all type of Impotency.

Shilajit - Natural Mineral, this is full of nutrients for anti-aging and maintaining the youthfulness.

Almond - Increases sexual hormones in men as it is rich in Vitamin E.

Gokshura - Increases Vigour and Vitality.

Babool Gound - Increases Stamina to enjoy the sexual act for a longer duration.

Granules

It is not in the form of a Capsule or a tablet, because no chemicals & abstract are used in this medicine. For keeping it natural and maintain its quality, all the herbs are used in natural form except Shilajit .(Shilajit is used only in its refined form.) Therefore it is in the form of Granules & the dosage is 5 gms as it is pure hurbal and no un natural booster is added to it.

Dosage

Take one pack of Granule at any time of the day. It is sticky therefore it better to take it before meal.

Procedure

This Ayurvedic supplement acts naturally and leads to arousal naturally. If you want to enjoy sex many times a day this supplement gives you the ability to do so and if after its usage you do not have sex, it has no side effects. You can feel the difference within 5 days. Those who have lost their sexual ability can be rejuvenated in 4 weeks time. It's regular usage makes you feel young and energetic. This supplement is free from all kinds of side effects . It is also suitable for those suffering from diabetes as shilajit is helpful in controlling diabetes.

Your Meal

For enhancing your sexual life you can use Pomegranate juice, Milk, dry fruits (Almonds) beans, vegetables and dark chocolates. Take balance diet, over eating is not preferable for better sex.

Use Fantasies

fantasies plays a great role in enhancing enjoyment. Fantasise about a person or act to reach the peak.
